

Stahly ExtraLite XL® Pre-Post-Dry 4x4 800 Gallon / 4 Ton G4

Our Stahly ExtraLite Pre/Post/Dry™ Combo is one of the most versatile applicators in the industry. Our “Quick-Change-Combo” enables you to swap from a 850 gallon sprayer to a 4-Ton G4 spreader in 30 minutes. Whether on row crop tires or flotation tires this mechanical four-wheel-drive machine will outperform other mid-sized applicator on the market. Use one machine to do the work of two or three stand-alone applicators and at an price point that pencils out better than any other machine on the market.

4-Ton G4 in 30" Tall Corn Rows

Spraying 30" Rows

Top Dressing Corn

Lightweight, Rugged & Dependable
