

MERTZ

Stahly

Three of the best names in the business!

Mertz 300 DX Floater

The most rugged and dependable floater ever built is back!

Everyday performance you can count on year after year without the excessive bells and whistles you're paying for elsewhere.

Stahly L3020G4

The most productive dry delivery system ever!

Our New Leader G4 spreaders will outperform any other dry applicators on the market, and are converting even the most die-hard air machine users. Or blend on the go with one of New Leader's **NEW L3220 Multapplier** twin-bin spreaders.

 Peterbilt chassis now available.

Stahly Pre/Post®

The most versatile and profitable machine money can buy!

With our new "Quick-Change-Combo" dealers are paying for the machine in the first twelve months from application revenue alone!

 Peterbilt chassis now available.

Mertz 275 EX

The only mechanical 4 wheel drive applicator with a 36" of crop clearance!

Proven Mertz 275 EX has set a new standard for productivity with a 1200 gallon tank, 90' self leveling booms, 50 mph road speed and the dependability of mechanical drive.

Stahly

Setting the standard since 1976.
